The Honorable Andrew Wheeler  
U.S. Environmental Protection Agency  
1200 Pennsylvania Avenue, N.W.  
Washington, DC 20460

Dear Administrator Wheeler:

On behalf of the Household & Commercial Products Association, its Board of Directors, and its members that are responsible for 200,000 direct jobs and \$180 billion in annual sales in the United States, I sincerely thank you for meeting with me this week to discuss issues that are critically important to our industry. We once again congratulate you on your appointment as Acting Administrator and look forward to working with you and your staff in the future.

As we mentioned during the meeting, our members would benefit from your unique insights and vast experience gained leading such a pivotal government agency. With that in mind, you are cordially invited to address HCPA's mid-year meeting, IMPACT2019, May 1-3, 2019 at the Mayflower Hotel in Washington, DC.

We believe that your work as Administrator of the Environmental Protection Agency allows you to provide our members and conference attendees with a unique perspective on the state of environmental, sustainability, and chemical safety regulations that impact businesses across the country. HCPA members are formulators, marketers, and suppliers of household and commercial products used in homes and workplaces, and many work closely with the EPA to ensure that their products are safe. We expect approximately 400 executives specializing in scientific affairs, regulatory compliance, and product marketing to attend.

Because the agenda for the meeting is still in formation, we are currently very flexible with the timing of your presentation, should you choose to accept this invitation. If you or your staff require additional information about this event, or wish to coordinate your attendance, you may contact HCPA's Executive Vice President of Government Relations & Public Policy, Owen Caine, at 202-833-7310 or [ocaine@thehcpa.org](mailto:ocaine@thehcpa.org).

Our association and our industry truly appreciate your dedicated service and leadership at EPA and thank you for respectfully considering this request. We truly appreciate it.

Sincerely,

A handwritten signature in black ink that reads "Stephen J. Caldeira".
