Meet Your Congressional Representatives

IMPACT2019 HILL VISIT

Wednesday, May 2

Get involved in the legislative process by joining fellow member companies in traveling to Capitol Hill on Wednesday, May 2, to explain the importance of our industry and to discuss policy issues. We represent 180,000 jobs and nearly 200 billion in economic output; it's important that Congress become familiar with our industry from the people who power it. Building relationships and amplifying our voice will produce positive policy developments that support the work we do and the products we make.
