**HCPA Awards Wendy Kennedy of Procter & Gamble
the 2018 Chairman's Award**

Washington, D.C. – The Household & Commercial Products Association (HCPA) has awarded its prestigious Chairman's Award to Wendy Kennedy, Global Air Care and North America Home Care Senior Communications Manager, The Procter & Gamble Company. Kennedy was presented with the award during XPAND 2018, HCPA's Annual Meeting in Ft. Lauderdale, FL.

Selected by the Chairman of the HCPA Board of Directors, the Chairman's Award goes to a member volunteer whose strategic engagement, enthusiasm and commitment to excellence has earned them a reputation as a visionary leader in both HCPA and the household and commercial products industry.

"Through Wendy's extraordinary leadership as part of the HCPA Air Care Reputation Task Force, she helped bring together a diverse group of people and companies to develop innovative and effective ways of proactively defending the air care category, including helping plan HCPA's inaugural Air Care Summit," said David Campbell, Vice President, Regulatory Affairs and Policy, North America, RB, and 2018 Chairman of the HCPA Board of Directors.

"HCPA thanks Wendy and the entire HCPA Air Care Reputation Task Force for their steadfast and strategic efforts to help consumers and workers to better understand that HCPA member company products, when used correctly, are safe, beneficial and sustainable choices for their families and workplaces," said Steve Caldeira, HCPA President & CEO.
