

Florida Department of Agriculture and Consumer Services Pesticide Product Regulatory Workshop

Homewood Suites by Hilton Tallahassee

Tallahassee, FL

Tuesday, October 22nd & Wednesday October 23rd

Sponsored by

Household & Commercial Products Association (HCPA)

Florida Fertilizer & Agrichemical Association (FFAA)

Southern Crop Production Association (SCPA)

A comprehensive overview of Florida's regulatory programs for pesticide products. The conference is intended for registrants of agricultural, industrial, and consumer pesticides and their users. The program includes detailed discussions of Florida's registration processes, scientific evaluations, the enforcement of product sales and use, and issues of special importance in Florida. Keynotes from the leadership of FDACS will be presented. The conference will be both an important learning tool and an opportunity to get to know the individuals that are part of these crucial regulatory programs.

Tuesday Morning, October 22nd: The Basics

- | | |
|-----------------------|--|
| 7:30 - 8:30 am | Continental Breakfast |
| 8:30 - 8:45 am | Welcome/Staff Introductions: Overview & Goals of Conference, Summaries of HCPA, FFAA, and CSPA, Logistics & Announcements <i>Moderator Day 1: Artie Lawyer, Principal, Exponent</i> |
| 8:45 – 9:15 am | Keynote: Importance of Environmental & Pesticide Issues to Florida Overview of Issues of Importance to FDACS Leadership. Program Goals and Philosophy of the Division of Agricultural Environmental Services <i>Davis Daiker, Assistant Director, Division of Agricultural Environmental Services</i> |
| 9:15-9:35 am | Program Overview: Bureau Overview - Discussion of Bureau Responsibilities <i>Adriane Rogers, Chief, Bureau of Scientific Evaluation and Technical Assistance (BSETA)</i> |
| 9:35-10:10 am | Pesticide Registration Overview: Decision Processes, Procedures, PREC, Screening, Typical Problems Encountered, New Active ingredients, Significant New Uses, Special Local Needs (24c) Registrations, and Experimental-Use Permits. <i>Amy Brown, Administrator, Pesticide Registration Review Section</i> |

- 10:10-10:25 am** **Break**
- 10:25-11:00 am** **Amended Labels & Renewal Applications:**
 Procedures, Amendments, Notifications & Non-Notifications, Discontinued Products,
 Notice of Clearance, Typical Problems Encountered
Melissa Scurry, Registration Supervisor, Pesticide Registration Review Section
- 11:00-11:30 am** **Minimum Risk (FIFRA 25(b)) Registration Processes:**
 Decision Processes, Procedures, Typical Problems Encountered and additional
 requirements for products for use on low-THC Cannabis or Medical Marijuana
Shamika George, Environmental Specialist, Pesticide Registration Review Section
- 11:30-12:00 pm** **Registrant Perspective**
 Experiences & Advice on FDACS Processes and Best Practices for Registrants
Kelly Hoskins, Regulatory Manager, Sergeants Pet Care Products, Inc.
Cristina Rodriguez, Regulatory Manager, FMC Corporation
- 12:00 – 1:15 pm** **Lunch**
- Moderator and Introductions**
Mary Hartney, President, Florida Fertilizer and Agrochemical Association as introducer
- Luncheon Keynote: Highlights of Florida/FDACS Programs & Future Initiatives**
TBD, FDACS Leadership

Tuesday Afternoon, October 22nd: The Details

PANEL: New Active Ingredients & Major New Uses – The Scientific Evaluations (1:30 – 5:00 pm)
 The afternoon will focus on the applications that ultimately require approval by the PREC. For All Scientific
 Evaluation Speakers: Areas and Scope of Scientific Evaluations, Typical Problems Encountered by Evaluators,
 Q&A Session

- 1:30 – 1:45 pm** **New Active Ingredients and Major New Uses – The Process:**
 The PREC Process. Scientific Evaluation Section Decisions. Production of Summary
 Documents on Sciences. Additional Requirements, Process, Organization of a
 Submission, Areas of Scientific Evaluation, Focus Areas of Evaluations, Analytical
 Methods, Typical Problems Encountered by Evaluators, EPA Data Evaluation Records
 Groundwater focused labeling, Buffer Zones, Restrictions on Application Rates &
 Maximum Number of Applications
Jim Cooper, Assistant Bureau Chief, BSETA, Scientific Evaluation Section
- 1:45 – 2:10 pm** **Environmental Fate and Groundwater**
Jianqiang Zhao, Environmental Specialist, Scientific Evaluation Section
Andrew Tintle, Toxicity Laboratory Manager, Department of Environmental Protection
Brian Katz, Environmental Specialist, Department of Environmental Protection
- 2:10 – 2:35 pm** **Ecological Effects and Endangered Species**

Harris Walters, Environmental Consultant, Scientific Evaluation Section
David Cook, Wildlife Biologist/Invertebrate Conservation Coordinator, Florida Fish & Wildlife Conservation Commission

- 2:35 – 3:00 pm** **Human Health and Risk Assessment**
Paul Rygiel, Environmental Manager, Scientific Evaluation Section
Andrew Reich, Scientific Advisor, Bureau of Environmental Health, Florida Department of Health
- 3:00 – 3:15 pm** **Break**
- 3:15 – 3:40 pm** **Residue & Product Chemistry**
Jessica Murillo, Environmental Specialist, Chemical Residue Laboratory Food Safety Division
- 3:40 – 4:05 pm** **Analytical Chemistry**
Teresa Rygiel, Assistant Bureau Chief, Agricultural Environmental Laboratory
- 4:05 – 4:30 pm** **Registrant Perspective**
Experiences & Advice on FDACS Scientific Processes and Best Practices
Larry Zang, Regulatory Manager, Syngenta Crop Protection
Emily Saad, Senior Scientist, Exponent
- 4:30 – 5:00 pm** **Q & A Session**
Panel Members
- 5.30 -7:00 pm** **Networking Reception**

Wednesday Morning, October 23rd: Enforcement & Florida-Specific Issues

- 7:30 - 8:30 am** **Continental Breakfast**
- 8:30 - 8:40 am** **Introductions to Day 2**
Overview of Morning's Topics, Logistics & Announcements
Day 2 Moderator: Cristina Rodriguez, Regulatory Manager, FMC Corporation
- 8:40 – 9:05 am** **Enforcement in Florida – Bureau of Inspection and Incident Response**
Enforcement and Inspections in Florida. Inspection processes, actions, and follow up. Producer Establishments Inspections. Oversight by Bureau of Inspection and Incident Response, Agricultural & Consumer Product Examples, Dos & Don'ts.
Neil Richmond, Chief, Bureau of Inspection and Incident Response
- 9:05 – 9:30 am** **Enforcement in Florida – Bureau of Licensing and Enforcement**
Focus of Enforcement Actions, Oversight by Bureau of Licensing and Enforcement, Agricultural & Consumer Product Examples, Dos & Don'ts.
Sarah Oglesby, Chief, Bureau of Licensing and Enforcement

Florida-Specific Topics of Interest (9:30 – 12:00 pm)

- 9:30 – 9:55 am** **Termiticides and Related Challenges**
Challenges of Termites and Treatment Methods in Florida’s Environment
Davis Daiker, Assistant Director, Division of Agricultural Environmental Services
- 9:55 - 10:10 am** **Break**
- 10:10 – 10:35 am** **Water Protection Program – Groundwater Challenges**
Shallow Groundwaters and Pervious Soil Impacts on Pesticide Use
Danny Moore, Geologist, Scientific Evaluation Section
- 10:35-11:00 am** **Hemp and Cannabis**
Issues Arising from Expanding Marketplace and Novel Challenges
TBD, FDACS Leadership
- 11:00 – 11:25 am** **Emergency Exemptions & Emerging Pests and Pathogens**
Section 18s: How to be Successful in Establishing Emergencies for Emerging Pests while Considering Endangered Species and Other Florida Issues
Mike Aerts, Director, Science and Regulatory Affairs, Florida Fruit and Vegetable Association
- 11:25 – 11:50 am** **Mosquito Control Challenges**
Overview of mosquito challenges in Florida and pest control options for residents and regional administrations
Marah Clark, Administrator, Entomology and Pest Control Section
- 11:50 - 12:00 pm** **Wrap up/Adjourn**
