HCPA Welcomes Five New Members to Board of Directors

Washington D.C. – The Household & Commercial Products Association (HCPA) is pleased to welcome five new members to its Board of Directors: David Burks (Diversified CPC International, Inc.), Pankaj Gupta (The Dow Chemical Company), Diego Ruiz (SC Johnson), Catherine Trinkle (BASF Corporation), and Scott Tuchinsky (Croda).

HCPA also congratulates the 2021 Chair, William Schalitz, Vice President, Research & Development, Spartan Chemical Company, Inc.

“The HCPA Board of Directors brings decades of leadership and expertise that enables the Association to successfully advance our strategic priorities,” said Steve Caldeira, President & CEO, HCPA. “Their knowledge and industry insight is especially valuable this year as the household and commercial products industry continues to play a critical role in the COVID-19 response. I’m grateful to have the support of such a talented and dedicated team of Board Members, and I’m confident that the addition of these new Board Members will further position HCPA to have a successful year.”
