

## HCPA's Annual Pesticide Regulation Workshop Steptoe, Washington, D.C.

September 30 – October 2, 2025

Registration and Breakfast  An Overview of Pesticide Regulation. The important sections of FIFRA. Why FIFRA is a mix of registration and misbranding law. The business objectives of regulatory compliance. Important resources. The roles of EPA and the states.  Understanding Regulated Products. The intent test for pesticides. Differences between pesticides, devices, treated articles, and application equipment. Substances excluded from FIFRA regulation. Products that are not pesticides for assorted reasons. Pesticides that are exempted from FIFRA regulation. Pesticides that may be distributed or sold without registration.  Break  Types of Registrations. Technical-grade active ingredients, other manufacturing-use products, and end-use products. Supplemental distribution (distributor products).  Break  15 minutes  30 minutes  Charles "Billy" Smith (EPA)  Lunch  12:00 to 1:00 PM EDT  Key Considerations for Pesticide Product Development. Elements of a successful strategy to obtain approvals and bring new pesticide products to the market, including product formulation, product label development, registration data requirements, budget development, timelines, and state-law considerations.  Break  Importing and Exporting Pesticides. Importing pesticides, including the Notice of Arrival of Pesticides and Devices and the electronic equivalent (eNOA). Options for pesticides for export. Purchaser acknowledgment statements for exports of unregistered pesticides. Suppring pesticides, including the labeling of pesticides for export. Purchaser acknowledgment statements for exports of unregistered pesticides. Suppring pesticides, including the labeling of pesticides for export. Purchaser acknowledgment statements for exports of unregistered pesticides. Exporting pesticides, including the labeling of pesticides for export. is a mix of registration and misbranding law. The business objectives of regulatory compliance. Important resources. The roles of EPA and the states.  2 Understanding Regulated Products. The intent test for pesticides. Differences between pesticides, devices, treated articles, and application equipment. Substances excluded from FIFRA regulation. Products that are not pesticides for assorted reasons. Pesticides that are exempted from FIFRA regulation. Pesticides that may be distributed or sold without registration.  3 Types of Registrations. Technical-grade active ingredients, other manufacturing-use products, and end-use products. Supplemental distribution (distributor products).  4 EPA Registration Division. Overview of and update regarding activities within the EPA's Registration Division.  5 Vey Considerations for Pesticide Product Development. Elements of a successful strategy to obtain approvals and bring new pesticide products to the market, including product formulation, product label development, registration data requirements, budget development, timelines, and state-law considerations.  6 Importing and Exporting Pesticides. Importing pesticides, including the Notice of Arrival of Pesticides and Devices and the electronic equivalent (eNOA). Options for importing misbranded pesticides. Exporting pesticides, including the Notice of Arrival of Pesticides and Devices and the electronic equivalent (eNOA). Options for importing misbranded pesticides. Exporting pesticides, including the labeling of pesticides. Period Mo09 device determinations. Increased prevalence of devices and device issues, including but not limited to qualifying and substantiating product performance (efficacy) claims.  8 Building an Application Package. Administrative forms. Data volumes. Labeling. CDX Jonathan Walsh (Sagentia)		Registration and Breakfast	8:30 to 9:00 AM EDT			
between pesticides, devices, treated articles, and application equipment. Substances excluded from FIFRA regulation. Products that are not pesticides for assorted reasons. Pesticides that are exempted from FIFRA regulation. Pesticides that may be distributed or sold without registration.  Break  15 minutes  3 Types of Registrations. Technical-grade active ingredients, other manufacturing-use products, and end-use products. Supplemental distribution (distributor products).  4 EPA Registration Division. Overview of and update regarding activities within the EPA's Registration Division. Overview of and update regarding activities within the EPA's Registration Division.  5 Key Considerations for Pesticide Product Development. Elements of a successful strategy to obtain approvals and bring new pesticide products to the market, including product formulation, product label development, registration data requirements, budget development, timelines, and state-law considerations.  Break  15 minutes  1 hour, 15 minutes  1 hour, 15 minutes  15 minutes  15 minutes  15 minutes  15 minutes  16 Importing and Exporting Pesticides. Importing pesticides, including the Notice of Arrival of Pesticides and Devices and the electronic equivalent (eNOA). Options for importing misbranded pesticides. Exporting pesticides, including the Notice of pesticides for export. Purchaser acknowledgment statements for exports of unregistered pesticides. Exporting pesticides, including the Iabeling of pesticides of export. Purchaser acknowledgment statements for exports of unregistered pesticides. Paperting pesticides, including the Iabeling of pesticides product performance (efficacy) claims.  8 Building an Application Package. Administrative forms. Data volumes. Labeling. Reception Hosted by Steptoe 4:30 to 5:30 PM EDT	8					
		Reception Hosted by Steptoe	4:30 to 5:30 PM EDT			

	Day Two				
	Breakfast	8:30 to 9:00 AM EDT			
9	<b>EPA Antimicrobials Division.</b> Overview of and update regarding activities within the EPA's Antimicrobials Division.	30 minutes Elizabeth Donovan (EPA)			
10	<b>Reporting and Recordkeeping.</b> Reporting and recordkeeping under FIFRA. Establishing registration and reporting. Recordkeeping requirements for producers. Risk/benefit ("adverse effects") reporting under section 6(a)(2) of FIFRA.	1 hour Michael Boucher (Steptoe)			
	Break	15 minutes			
11	Inert Ingredients and Tolerance Petitions. EPA databases. PRIA fees. Data requirements.	30 minutes Jonathan Walsh (Sagentia)			
12	Understanding Data Compensation. Claim preparation. The arbitration process. Current trends.	30 minutes Michael Boucher (Steptoe)			
13	<b>EPA Biopesticides Division.</b> Overview of and update regarding activities within the EPA's Biopesticides Division.	30 minutes Geoffrey Sinclair (EPA)			
	Lunch	12:15 to 1:15 PM EDT			
14	Registration Review. How to prepare and respond, including options for responding to EPA data call-in (DCI) notices. The lessons of a recent EPA suspension hearing finding that a registrant's response to a DCI notice for DCPA was legally inadequate. The importance of joint data development task forces.	30 minutes Jonathan Walsh (Sagentia) Michael Boucher (Steptoe)			
15	FIFRA Enforcement. Overview of FIFRA's unlawful acts. How EPA determines FIFRA violations. Enforcement responses available to EPA under FIFRA, including stop sale, use, or removal orders. How EPA calculates civil monetary penalties. Avoiding FIFRA enforcement by self-auditing under EPA's voluntary disclosure policies.	45 minutes Michael Boucher (Steptoe)			
16	MyPest Presentation. Update on latest MyPest features and hands-on feature demonstration with question and answer.	60 minutes  Dan Schoeff (EPA)			
	Break	15 minutes			
17	State Regulation of Pesticides. An overview of state pesticide regulation. Types of state-specific product registrations (adjuvants, devices, minimum-risk pesticides, fertilizers, etc.).	1 hour 15 minutes Kelly Rahn (Sagentia)			
	Dinner on Your Own	5:00 PM EDT			

	Day Three			
	Breakfast	8:30 to 9:00 AM EDT		
19	<b>Practicum.</b> Attendees will be provided with the materials and data packages necessary to build a pesticide application. Attendees will then apply the knowledge garnered throughout the workshop to build a pesticide application. Presenters will facilitate the process.	2 hours Presenters and attendees		
	Break	15 minutes		
20	Practicum (continued) with Working Lunch.	2 hours and 30 minutes  Presenters and attendees		
21	<b>Practicum Lessons Learned.</b> Attendees and presenters will share lessons learned from the practicum.	1 hour Presenters and attendees		
	Workshop Ends	2:45 PM EDT
